Ingredients:

1 11-ounce package	Shortbread cookie crumbs
6 tablespoons	Butter, melted
1/3 cup	Black Raspberry or Blueberry Jam
4 ounces	Cream cheese, softened
1 8-ounce tub	Cool Whip topping
1-1/2 cups	Milk
2 4-ounce packages	Lemon Flavor Instant Pudding

Pulse cookies in a food process to create crumbs or place cookies in a plastic bag and smash with a rolling pin. Melt butter in medium bowl and add cookie crumbs. Mix well and press firmly into bottom of pie pan. Spread the jam evenly onto the bottom of the crust. In a medium bowl mix cream cheese and sugar until well blended, then stir in half of the container of whipped topping. Spread over the jam. Pour milk into large bowl. Add both boxes of dry pudding mix. Whisk until well blended (about 2 minutes). Gently fold in remaining whipped topping. Spread over the cream cheese layer. Optional: Garnish with lemon zest or fresh berries. Refrigerate for 4 hours or until fully set.
