

Simple to Make Ice Cream

Photo shows this simple to make ice cream using Peach Pie Jam

Ingredients:

1 pint Heavy Whipping Cream
1 can (14 oz.) Sweetened Condensed Milk
¼ cup Peach Pie Jam or any of your favorite Peace Jam flavors

Directions:

Beat heavy cream in bowl using electric mixer on high until soft peaks form. Add sweetened condensed milk and beat until thick and well combined.

Transfer mixture to shall container and cover with lid or plastic wrap. Freeze about 3 hours until partially solid. Add ¼ cup or more Peach Pie Jam or any other flavor to the ice cream mixture, stir until well blended. Cover and place in freezer for an additional 3 hours. If sweeter ice cream is desired add more jam!
